RINGBINDERS

We invite you to check out Champion Chart Supply's latest product catalog.

Over the last twenty-five years I worked at designing simple, productive charting solutions for healthcare providers throughout the US and Canada. In that time, the healthcare market has changed dramatically. At the start of the new millennium we created Champion Chart Supply to offer innovative, cost-effective solutions to 21st century charting challenges.

Champion Chart Supply is a family owned New England based Charting Company. Our staff of qualified professionals has over 75 years of combined experience providing charting solutions for the healthcare industry. Years of proven reliability, coupled with our dedication to furnish the highest quality products and service, guarantee your total customer satisfaction.

See why our customers have come to know the value of Champion Chart Supply as their partner in better Charting. We are trained to listen to your concerns and apply the best, most cost-effective option to meet your unique needs and are committed to offering simple solutions to complex problems.

We appreciate this opportunity to earn your business! Call or E-mail us, we look forward to hearing from you soon.

Sincerely,

Neil C. Summerfield
President, Champion Chart Supply

RINGBINDERS

CHAMPION MOLDED RINGBINDERS

Champion Ringbinders are built to last. Our Medical Grade Molded Ringbinders are designed to meet the tough demands of a 24/7 nursing environment. Whether for Hospital, Long Term Care or Alternate Care environment, our binders are perfect for any type of demanding application. Champion Medical Grade Molded Ringbinders are one-piece construction and are V-Hinged on both sides for strength and durability assuring you years of trouble free use. Our Ringbinder Charts are so durable we offer a 5-year non-prorated Warranty. Our 3 and 5 Ring Medical Grade Ring designs are the industry standard for durable Side or Top Open models. Call or E-mail us for a free sample. *Please use color codes on page 3 when ordering.*

MEDICAL GRADE RINGS

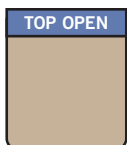

Our TruTest Rings are made to our exact standards. We designed our ring assembly to avoid ring-gapping and misalignment that can be experienced with other medical or office grade assemblies.
